1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy, living in Mt Pleasant, SC.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

On Jan 2, 2019, Dominion purchased SCANNA (owners of SCE&G). In that purchase agreement PSC required a temporary freeze of SCE&G rates as an offset to all the money us citizens paid for the failed nuclear plant. In 2020, Dominion received a rate increase. On July 22, 2021 Dominion was approved again to raise their rates. In that rate increase agreement, Dominion promised not to raise the rates again before July 2023. On March 21, 2022 Dominion is asking for another rate increase of \$6.53 per month (5.19%) to possibly start on May 1, 2022.

When do we start holding Dominion to their contracts along with their promises to not increase our rates? I protest the Commission to allow another rate increase by Dominion Energy at this time!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No.
